

MATTHEW HAWK
**THE GREATEST
GIFT**

*Baby in a manger born on Christmas day
Of a virgin mother, the power of God displayed
He was born to die to bring eternal life to us
On this Christmas day let's celebrate the true reason for the season*

*The gift of salvation is the greatest gift Christmas brings
Better than any gift underneath the Christmas Tree
Love redefined by the King who gave his life for us
Oh, risen king, you remind us why we celebrate Christmas Day*

*Wise men seek you – yeah, they still do
Angels surround you to bring glory to the newborn King
The promised Messiah – Emmanuel – God with us
And my gift to you is everything I am
And the angels shout a little louder today
And all Heaven shouts a triumph for the savior born on Christmas day*

*The gift of salvation is the greatest gift Christmas brings
Better than any gift underneath the Christmas Tree
Love redefined by the King who gave his life for us
Oh, risen king, you remind us why we celebrate Christmas Day*
