Glorify Your Name

I am yours
I will follow
I surrender everything I am

Guide me, Lord
My heart belongs to you
Where you lead is where I want to be
I am crucified with Christ

I glorify your name in honor and praise
In worship and thanks, yeah
I'll never be the same
Cuz you changed my life by your sacrifice for me
I surrender

Take all of me, all I have
I want to see your glory my King
I am dead to this flesh
Your Holy Spirit lives inside of me

I glorify your name in honor and praise
In worship and thanks, yeah
I'll never be the same
Cuz you changed my life by your sacrifice for me
I surrender

Your mercies are new each morning
I will follow you
Your mercies are new each morning
I will follow you
Your mercies are new each morning
I will follow you
