

I Glorify Your Name lyric sheet by Matthew Hawk ©2022

I am yours I will follow I surrender everything I am
Guide me, Lord, my heart belongs to you –
Where you lead is where I want to be
I am crucified with Christ—

Chorus

I glorify your name - In honor and praise - in worship and thanks
I'll never be the same, cuz you changed my life by your sacrifice for me

(interlude)

I surrender –

Verse2

Take all of me, all I have - I want to see your glory, my king
I am dead to this flesh, your Holy Spirit lives inside of me

Chorus2

I glorify your name - in honor and praise - in worship and thanks, yeah
I'll never be the same, cuz you changed my life by your sacrifice for me

(interlude 2)

Your mercies are new each morning
Your mercies are new each morning, I will follow you

Chorus2

I glorify your name - in honor and praise - in worship and thanks, yeah
I'll never be the same, cuz you changed my life by your sacrifice for me

I surrender, I surrender

Your mercies are new each morning
Your mercies are new each morning
