ATLANTA, GA – Singer-songwriter and worship evangelist **Matthew Hawk**, releases his Christmas single, *The Greatest Gift*, to all platforms and various radio formats.

*The Greatest Gift reminds us that the gift of salvation through the death and resurrection of Jesus Christ is the most precious gift of all.*

A passionate pursuer of Christ and lover of all things Christmas, Matthew Hawk dreamed of doing a Christmas album for many years. *The Greatest Gift* was written in response to a sermon he heard on the same topic and he knew he had to record it.

*Matthew Hawk* is **nominated for three Native American Music Awards** (winners are announced November 2022.) Hawk **appeared playing guitar and/or singing** on films **Pitch Perfect 3, The Change Up, Boy Erased, What to Expect When You're Expecting, Come Sunday, A Question of Faith**, and the television shows, **The Vampire Diaries, The Baker and the Beauty, American Soul, and Atlanta Live**.

*Merry Christmas*, Hawk's seasonal EP, released November of **2021**, with his single, *The Greatest Gift*, **debuting #6 on the Top Christian 20 PlayMPE national charts**.

His follow-up single, *Running on Empty*, released in May, debuting at **#5 on the Top Christian 20 PlayMPE national charts**. His music video, *Coming Home*, **won an award at the Emerald Coast Film Festival** as well.

Matthew Hawk is working on a **new album to be released in Winter of 2022**. Reminiscent of the 1990s, the album is an eclectic mix of *inspirational pop, rock, alternative, Americana, and modern faith-based singer-songwriter ballads*. “We’ve been through a lot the last few years. I hope to offer hope and love to a decaying world through these songs,” says Hawk. Ultimately, his goal is to point people to Jesus.

A humble man with a heart of gold, Hawk also works with families of **critically and terminally ill children**.
